The space to build
a better business

Paul Ness, SafeNess Safety Support

Get your business off to a flying start

Over the years we've supported over 4,000 businesses to get started, with 75% still trading after three years. No matter how far you are along with your thinking, we can help.

- Fancy working for yourself but not sure what you want to do? We'll help you explore the options.
- Have a brilliant idea but don't know how to bring it to life? We'll give you the knowledge and confidence to get started.

Whatever your circumstances our free workshops and one-to-one business support will provide you with a step-by-step guide to starting a successful business.

To begin your journey into self-employment, contact one of our advisers for an informal chat about your options.
